## TORRANCE CITY COUNCIL

Members of our Riviera Homeowners Association have been invited to join the members of Southwood Homeowners Association to hold a "Meet the Candidate" program. All eleven candidates for the Torrance City Council who are seeking to fill three vacancies on the Council will be at this meeting.

Mr. George Florman, president of Southwood Homeowners will start the meeting at 7:30 pm, Monday February 6 at the Jefferson School, 21717 Talisman, corner of Carson, west of Del Amo Financial Center. All Riviera homeowners are urged to attend this important meeting to learn what these candidates for our Council propose to do if elected. We can ask questions and find out just what they plan for our future in this city.

It is most vital to know more about those who desire to govern us. Plan to attend and ask questions.

Joe Sullivan

PRESIDENT'S MESSAGE

from Fan Chandler

It is the Executive Council's job to represent the views of the majority of our members. We urge you to be active in attending meetings and voicing these views and/or writing letters to the Council.

What is your Council doing? We have been given a strong mandate by the residents to do what we can to reverse the devastation that has been wrought upon our community by the placement of these horrendous cables above ground over our properties. There is not only aesthetic concern, but safety concern, and the fact that it affects the value of every piece of property by downgrading the beauty of our area.

Again, we want to say that we are not against cable TV as such, but feel it belongs underground, not above ground. We urge you to read and sign the enclosed petition.

The other issue that has taken much time of your Council is being "watchdog" over the Hillside and Local Coastal Overlay Zone Code which deals with views, building heights and compatibility.

We urge YOU to join us in our efforts.

# MEMBERSHIP DRIVE! Join the Association!

by Marta Colley

It was gratifying to welcome so many new members to the Riviera Homeowners Association (RHA).

The defacement of our lovely neighborhood by the unfortunate placement of the heavy TV cables has prompted an unprecedented increase in memberships during the second half of last year.

We invite all the Riviera Homeowners who are not yet members to join us and to give us their support. The RHA is your neighborhood organization that represents your interests as property owners in the public forum.

Through our Executive Council you have a way to make your opinions and concerns heard. The greater our number, the stronger our voice when we express our views. Please join us today!

An envelope is enclosed for your convenience.

## NOMINATIONS FOR THE BOARD

Nominations for the officers and directors of the RHA board of directors are again solicited. Elections will be held at the April meeting, and the newly elected officers will be installed at the close of the election.

Please give serious consideration to volunteering some of your time to this worthwhile organization.

## BE A GOOD NEIGHBOR ...

The Riviera is one of the most beautiful neighborhoods of the South Bay area. Help keep it that way by maintaining your property in good repair, cutting your lawn and trimming your hedges and trees. Let your neighbor share the view and the sunshine.

When walking Fido, take along a baggie and scooper and collect his calling cards, and don't let him use your neighbor's lawn for a latrine. It leaves burned patches in the grass.

Life is so much more pleasant when we all show respect for the property of the other fellow. And it pays dividends. Ours will be respected, too.

PHOTO HISTORY OF TORRANCE - For a limited time pre-publication orders for the Photo History of Torrance are still being taken at \$25 per book plus tax and handling. According to the authors, the book can be expected off the press in June. This may seem a long time, but we are being assured the book is well worth waiting for. For information and orders, call the museum at 328-5392, or Legends Press, 618-8296.
